

CORONAVIRUS ADVICE

In response to current Government guidance on Coronavirus (COVID-19) we would like to outline The RISE policy for attendance at our training events.

At this moment in time, our events are still going ahead. If the situation changes, we will inform you immediately.

If you are booked on one of our courses or sessions and have travelled from an [area identified as high risk](#) within the last 14 days, or have recently been in contact with someone with suspected or confirmed COVID-19, we ask that you do not attend.

If you feel ill, please stay at home as you would with any other illness and use the [NHS 111 coronavirus service](#) if you are concerned about your symptoms.
