

A word from our CEO, Lynn Evans

I am always delighted to share feedback about our volunteering service with our commissioner every quarter. Just one of many quotes... "My volunteer puts a smile on my face every week, I look forward to our chats and the confidence I have gained has made me feel a lot better."

Our volunteer service is highly regarded and that is down to each and every one of you 😊 So as Christmas approaches, I want to say a GREAT BIG thank you for all you do and wish you all a cheerful Yuletide and happy New Year. Take care and God bless... 🎄👶🎄

Careers Fairs!

We have been busy supporting local schools Careers Fairs in Calne, Chippenham and Royal Wootton Bassett recently. These are amazing opportunities for us to share information about The RISE Trust with young people about to make choices for GCSE and A-Levels. This also gives us the chance to discuss our volunteer and work experience vacancies 👍

Safeguarding Updates:

Allegations and concerns against adults in education settings: Please see link to updated flowchart. Can I please draw your attention to the top 4 blue boxes as these give useful examples. As always, your responsibility as a volunteer is to be able to recognise if there is an issue and report it to a member of the team. This would initially be the manager of the service you are placed with.
