

Volunteer Vacancy

Would you like to make a difference to the lives of families in your local area?

The RISE Families Together Contact Centre is a safe, friendly and neutral place where children of separated families can spend time with the non-resident parent and sometimes other family members.

It is a child-centred environment that puts the needs of the children first. We aim to create a warm, sociable atmosphere where families can relax and enjoy themselves.

No experience needed as full training will be provided.
