"Through unconditional love, commitment & passion we seek to enable all children, young people and adults to be the best they can be."

01249 463040

Did you know that The RISE Trust are here for you while you have a family and bring them up? From pre-school years, into school and beyond we will help you give your child the best possible support in life. We are trauma trained and can answer your questions and if we can't, we will find someone who can!

Our services currently:

Pre-school care for children aged 2-5

Primary school mentoring

Supported Contact Centre

Youth services across North Wiltshire inc
one to one mentoring

Parent Support Advisor in primary schools

Sensory Room

Lynn Evans, CEO

01249 463040

RISE Youth service

The RISE youth team provide a range of youth work sessions in North Wiltshire based in the community — both in safe spaces and through detached work. We work with a range of agencies to enable young people to live safer, happier lives. We can also provide one to one mentoring...

"Making a great impact as always."

Our RISE pre-school is

situated in Chippenham.

We are a 'good' setting and offer a variety of carefully thought out areas both inside and outdoors, that are well resourced to excite our 2-5 year olds in their early learning.

NACCC Contact Centre: Chippenham

Sometimes children become separated from family members for lots of different reasons.

The Contact Centre is a safe, friendly and neutral place where children from separated families can spend time with their non-resident parent. It is a child-centred environment that puts the needs of children first. Please contact us on 01249 463040.

Primary Mentoring

Children can be in need of someone to talk to especially if they are in a busy household. Trained volunteers meet children in primary schools weekly to offer a listening ear. Sometimes children do not have someone who will just listen and support them. This service is free to schools. If you would be interested in volunteering for this please call 01249 463040.

The RISE Trust is committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all volunteers to share in this commitment.

Thank you for
being so kind
and helpful
during difficult
times. It is
much
appreciated.

Volunteering

Many of our services and sessions rely on volunteer support - Mentor Me and youth services in particular.

Volunteering is a great way to meet new people, receive free training, learn new skills and support your community. It is also a great way for families to access future work or training opportunities. If you would like to get involved please call us.

"Mentoring has been a very positive experience for C. The opportunity to speak to an adult who has time to dedicate to her regularly has greatly benefitted C's self esteem.

"You guy's are incredible with what you do! You're all amazing and deserve some sort of award for the work you all do!"

Thank you so much for your kind words and indeed the work you are doing with our young people. You are clearly the right people for the role and our staff have been commenting on how positive your presence has been in school..

"You don't need to improve anything here, its great!"
(Youth)
